DESCRIPTION OF WORKS

Removal of the existing combi boiler and installation of a like-for-like replacement in the same position, including a new flue kit and smart heating controls. System chemically flushed and inhibitor added, gas tightness test carried out, and the appliance commissioned to the manufacturer's instructions. A Gas Safety Record (CP12) is issued on completion and the installation notified to Gas Safe.

ITEMISED BREAKDOWN

TERMS & CONDITIONS

- 1. All work carried out by a Gas Safe registered engineer in accordance with the Gas Safety (Installation and Use) Regulations 1998.
- 2. This quote is valid for 30 days from the date of issue.
- 3. Quote assumes the existing flue route and gas supply are suitable; upgrades will be costed separately.
- 4. The appliance carries the manufacturer's warranty, subject to annual servicing.
- 5. A Gas Safety Record will be issued on completion and full payment.
